

GET PAID THE WAY YOU WANT

ACH, virtual card or check

Join our growing family of more than 700,000 providers and get paid the Zelis Payments way

\$500 billion a year is still spent on paper-based payments. Switch to Zelis ACH and save up to 50% over virtual cards while combining payments from multiple payers in one easy-to-use provider portal.

IMPROVE Cash Flow

Lower costs and speed up payments with ACH and virtual card.

Shorten processing time while receiving payments quickly and directly into your bank account with ACH.

- Save up to 50% with ACH versus virtual cards
- Receive payments up to 20 days faster than checks
- Decrease costly manual processes and workarounds

EASY Reconciliation

Receive one

835 file

what you billed with what you paid.

Combine payments to one location. Receive one error-free 835 file for all payers. Match

Experience fast and accurate reconciliation of remittance data and claim payments through combined, balanced and detailed 835s. Easily access 835s for voids, no pays, capitated encountered and reversals.

- Payer data is cleaned and standardized (CAQH CORE compliant) and inclusive of all CARCs, RARCs & CAGCs
- Large providers have customizations like delivery locations, file names and split files (payer/payment)

MORE CHOICES

Payment & delivery options that match your workflow.

Improve performance by choosing payment options that work best for your organization or practice – ensuring fast, secure, reliable payments and remittance delivery data.

- Download remittance advice as EOP (PDF, CSV, XLS) or combined 835s via our secure web portal
- Choose how you receive payments by ACH or virtual card and remittances by secure download, FTP or mail

EXCEPTIONAL Service

Dedicated service for data, fraud monitoring, clearinghouse and bank assistance.

Zelis Payments is committed to provider satisfaction. All services are backed by award-winning provider service and our responsive, knowledgeable team of payments experts are ready to answer questions and provide assistance.

- Fully managed implementations with dedicated services for fraud monitoring, EDI support, clearinghouse and banking assistance
- Self-service portal with 24/7 access to all payments details

MARKET LEADING Provider Portal

Easy to use – turnkey portal. Gain full control and transparency on data and payments.

Quickly and easily investigate payments history by claim or patient and view payments history for up to 10 years! Never experience hidden fees – all rates are clear and up-front.

- View payments summaries by payer and grant user level access to staff and billing company vendors
- Re-route payments with simplified routing and manage multiple TINs with our option for single sign-on

SIMPLIFIED Processes

Reduce back office work and eliminate payment re-routing. Automate settlement and re-association.

Get paid faster by accessing our provider portal with multiple payers. Decrease the amount of systems and formats used to manage payments and claims.

- Cut down on paper-based payments waste and processing time by combining multiple payments to one
- Enter bank account, contact information and fax #'s just once

The Zelis Experience

"Traditionally, handling these payments manually required significant effort.

The automated service has reduced this by 6:1 for our business." – Zelis Payments, Provider
