

Your Independent Health patients can save substantially on laboratory costs when you refer them to preferred and participating laboratory locations. To help them save money and avoid paying out-of-pocket, please refer them to one of the providers on the list below.

The following list of participating laboratories was updated as of January 1, 2021. This list and the covered services at these locations are subject to change at any time. Not all laboratories participate with all lines of business.

PREFERRED NATIONAL LAB: Quest Diagnostics | www.questdiagnostics.com
