

2025 Pediatric Dental Coverage Requirement

As part of the Affordable Care Act's Essential Health Benefits provision, pediatric dental coverage is an Essential Health Benefit. According to the current interpretation of the federal laws and regulations by the New York State Department of Financial Services, small employers purchasing medical insurance outside of the New York State of Health (NYSOH) marketplace are required to purchase ACA-compliant pediatric dental coverage.

Independent Health's medical products outside of NYSOH do not include pediatric dental coverage as part of the medical plan. However, Independent Health has partnered with Delta Dental of New York to offer a low-cost pediatric dental benefit that complies with ACA requirements.

As a small employer group, you have two options:

Option 1

You may choose to offer the Delta Dental PPOsm Pediatric Basic Plan for Children for Small Businesses through Independent Health. This plan has 70% actuarial value and a monthly premium of \$15.44 per person under the age of 19, up to a maximum of \$46.32 per family per month. There is no premium for members age 19 or older.

Independent Health's medical plan and Delta Dental PPOsm Pediatric Basic Plan have separate member liabilities, such as deductibles, copayments, coinsurance and out-of-pocket maximums.

For additional coverage details, please refer to the attached pediatric dental summary.

Option 2

You may choose an ACA-compliant pediatric dental plan offered through another dental carrier certified by New York State of Health. To select this option, check the appropriate box on the Pediatric Dental Group Application/Election Form AND include the name of the dental insurer.

The enclosed Pediatric Dental Group Application/Election Form provides further information. **You must return the Pediatric Dental Group Application/Election Form to Independent Health when you return your group medical rate agreement.**

We will automatically enroll your group in the Delta Dental PPOsm Pediatric Basic Plan if:

- **you do not return this form to us; or**
- **you have indicated on the form that you have not already obtained this required coverage; or**
- **the form is incomplete.**

The required premium will be combined with your medical premium on the invoice.

If you have any questions, please contact your account manager.

Go PPO

A Delta Dental PPO plan gives enrollees access to a network of dentists who've agreed to keep costs low. And since four out of five dentists nationally are participating dentists, enrollees may already be visiting a network dentist.

Delta Dental PPO covers checkups, cleanings and x-rays to help keep smiles bright. It covers lots of other great services, too. After enrollees satisfy the plan's deductible, they'll be responsible for a coinsurance percentage, which is their share of the charges — Delta Dental pays the rest.³

Dental is important

Give employees peace of mind with a Delta Dental PPO plan. The right coverage can help them protect their smiles and their wallets.

More ways to save

Visit a Delta Dental PPO dentist

Enrollees usually pay less when they visit a PPO network dentist. Enrollees can go to the Find a Dentist tool on our homepage to search for a PPO dentist. (We offer results by mobile device location too.) Our large network makes it easy to find a convenient participating dentist.

For additional choice, our Delta Dental Premier® dentists offer enrollees another way to save. These dentists are not “in-network,” but enrollees will usually pay less than if they visit a non-Delta Dental dentist.

Easy to use

No ID card needed

Enrollees can simply provide the dental office their name, date of birth and social security or enrollee identification number. No ID card is required. Or they can log in on their smartphone or mobile device and display their mobile ID card.

Claims are a breeze

Enrollees pay only their portion of the bill for services when they visit a Delta Dental

dentist; we take care of the rest. After a claim is processed, we provide enrollees a statement that explains the services provided and their share of the cost. Increase the convenience by signing up for paperless statements.

Quick and easy online information

Enrollees can manage their accounts online wherever they are — work, home or on the go. Our tools help enrollees access plan information, view claims, find dentists and display ID cards.

Support healthy habits

Access to our wellness library

Check out our great oral health resources! They can help your employees stay informed and stay healthy. Our wellness library offers risk assessment quizzes, articles, videos, fun stuff for kids and a subscription to *Grin!*, our free dental wellness e-magazine.

Coverage for peace of mind

Skipping preventive care can lead to more expensive treatment that could contribute to lost time at work. A Delta Dental PPO plan can help your employees and their families stay healthy and avoid more costly care.
