

Compare, Shop and Save on Your Prescriptions

Understanding all the options and managing the costs for the medications you need to keep your family healthy can be a challenge.

Independent Health makes it simpler with a tool to help you easily compare Rx costs through your MyIH account.

- **Search** by drug name and dosage.
- **Locate** nearby participating pharmacies.
- **Compare** real-time costs specific to your health plan.

Did You Know:

You can also view your drug formulary, or list of covered drugs, in your MyIH account. If your medication isn't covered, your doctor may be able to prescribe an alternative to help you manage drug costs.

Start Comparing:

Create and access your Independent Health account by downloading the free MyIH app or by visiting independenthealth.com/login.
