

Vision Benefits from EyeMed®

Routine eye and vision exams are an important part of preventive health care. Staying up to date with your exams and prescriptions can help keep your eyes in good condition and improve your quality of life. Eye exams can also support your overall health and wellness by aiding in the early detection of serious health conditions, such as diabetes and heart disease. As part of Independent Health's wellness benefits, our Medicare Advantage members enjoy comprehensive vision coverage that helps keep your health in sharp focus.

Your Vision Benefit Includes:

- Coverage for routine eye exams and an eyewear allowance.
- Diabetic retinal imaging, covered in full as part of an in-network routine eye exam with EyeMed.
- Post-cataract routine eye exam and eyewear.
